A. A. Milne and the triumph of Piglet, Eeyore and Tigger: Was Winnie the Pooh a Communist?

A thesis submitted in (partial) fulfilment of the requirements for the degree of Master of Engineering

Jesse L. Citizen
B.Eng.

School of Social Engineering
Science, Engineering and Technology Portfolio
RMIT University
May 2004

‘partial’ applies ONLY where a program has a coursework component, usually 1/3 of the total program. This does NOT refer to the compulsory research methods course.

the month and year of submission for examination. Except in cases where the thesis/project was deferred for major revision, in which case it is the month and year of re-submission for examination.
