

Why Join ACTS?

- If your institution is a member it's free to set up a member profile and access all the member benefits
- Access to sustainability web resources
- Networking opportunities & access to sustainability champions working in our member institutions
- Access to international organisations such as EAUC
- Staff & student scholarships
- Newsletter and up-to-date notifications on what is happening in the tertiary education sustainability sector
- In the near future, opportunity to engage other members through an online forum

How do I Join ACTS?

1. Go to home page of the website and click on **register**
2. Fill in the new users registration fields & submit
3. You need to use an institutional email address – for example not a yahoo or hotmail address
5. Once you have submitted your registration and it is accepted, you will receive notification.
6. Once registered, you will have access to all member benefits and resources.
