FEES INFORMATION
Medicare does not cover dental services unless you
have a chronic condition, complex care needs or
you are the holder of a Health Care card. As a local
student you can take out private health insurance to
cover dental services.
Standard Overseas Student Health Cover (OSHC)
does not cover dental services, but international
students have the option of extending their coverage
to include dental treatment.
Standard consultation fees for a basic examination
range from $40 to $68, x-rays range from $33 to $44
and cleaning range from $98 to $150.
Most dentists offer discounts to full-time students.
Confirm when making your appointment and make
sure you take your student card with you.
