University programs

RMIT’s undergraduate programs are holding drop in information sessions during the all-important Change of Preference period.

Representatives from the degrees listed below will be on hand to answer all questions and provide the best possible advice on career choices.

Engineering
- Aerospace Engineering
- Aerospace Engineering/Business Management
- Automotive Engineering
- Aviation Science
- Biomedical/Communication/Computer Systems/Electrical/Electronic/Network Engineering
- Chemical Engineering
- Chemical Engineering/Business Management
- Chemical Engineering/International Studies
- Chemical Engineering/Biotechnology
- Civil and Infrastructure Engineering
- Civil and Infrastructure Engineering/International Studies
- Civil and Infrastructure Engineering/Business Management
- Communication Engineering/Computer Science
- Electrical Engineering/Business Management
- Electronic Engineering/Computer Science
- Manufacturing and Engineering Management
- Mechanical Engineering
- Mechanical Engineering/Business Management
- Software Engineering

Computing and IT
- Computer Science
- Computer Systems/Computer Science
- Computer Systems Engineering/Business Management
- Computing and Internet Technology
- Games Graphics Programming
- Information Technology
- Multimedia Systems

Environment
- Environmental Engineering
- Environmental Engineering/International Studies
- Environmental Science
- Environmental Science/Business Management
- Environmental Science/Environmental Engineering

Health and Medical Sciences
- Biomedical Science
- Chinese Medicine
- Human Movement
- Laboratory Medicine
- Medical Radiations
- Nursing
- Occupational Health and Safety
- Pharmaceutical Science
- Physical Education
- Psychology

Science
- Applied Chemistry
- Applied Chemistry/Business Management
- Applied Chemistry/Chemical Engineering
- Applied Physics
- Applied Sciences
- Biological Sciences
- Biotechnology
- Food Technology and Nutrition
- Food Technology and Nutrition/Chemical Engineering
- Geomatics
- Geomatics/Computer Science
- Mathematics
- Mathematics/Diploma of Technology (Computing)
- Multimedia Cartography
- Nanotechnology
- Physics
- Physics/Electronic Engineering
- Physics/Certificate IV in Applied Language
- Physics/Certificate IV in Professional Writing and Editing
- Scientific Photography
- Surveying
