# WHY IS IT THE FOUR AULT?

**Power & Politics  
in the realm of  
Information  
Technology**

**H**ow can the writings of hip French philosopher Michel Foucault inform our understanding of the creation and usage of Information Technology? Delve into the politics of software in a public discussion led by RMIT academic John Lenarcic.

**Tue July 17th 2007 at 7pm  
The Stork Hotel,  
504 Elizabeth St, Melb.**

**FREE  
ADMISSION**
