

SEH College ARC Future Fellowship FT19 Expression of Interest

Please complete the following information about your project to demonstrate how your proposal is consistent with current ARC funding trends, includes cross disciplinary research where possible, and is competitive based on ARC Future Fellowship Selection Criteria. RMIT applicants are encouraged to discuss their EOI with the Deputy Dean, Research of their School.

Include sufficient details for the application to be assessed without reference to previous applications.

A copy of the template can be found at <https://www.rmit.edu.au/staff/our-structure/seh/core-business-support/research-support/grant-support/support-arc-applicant> (Future Fellowships section).

IMPORTANT NOTES:

The information here will be used to make recommendations on whether EOIs will be supported by the hosting School for development into full applications. Please ensure that sufficient and relevant details are provided to adequately address the questions.
