Tutorial Workshop on Identification and Control

Friday 18 March 2011
RMIT City Campus, Research Lounge

Presenter:
Professor Ian R. Petersen

About the presenter

Professor Ian R. Petersen was born in Victoria, Australia. He received a PhD in Electrical Engineering in 1984 from the University of Rochester. From 1983 to 1985 he was a Postdoctoral Fellow at the Australian National University.

In 1985 he joined the University of New South Wales at the Australian Defence Force Academy where he is currently Scientia Professor and an Australian Research Council Federation Fellow in the School of Engineering and Information Technology.

He has served as an Associate Editor for the IEEE Transactions on Automatic Control, Systems and Control Letters, Automatica, and SIAM Journal on Control and Optimization. Currently he is an Editor for Automatica. He is a fellow of the IEEE. His main research interests are in robust control theory, quantum control theory and stochastic control theory.

Sponsored by Platform Technologies Research Institute and RMIT Office of Pro Vice-Chancellor, College of Science, Engineering and Health
