Venue Description
RMIT University, Hamilton is a learning site, located in a rural landscape in close proximity to Hamilton’s Central Business District and local accommodation venues.
RMIT’s focus is on applied research. The venue offers good teaching facilities, with an up-to-date computer room, numerous classrooms, training rooms and a conference room. The art studio facilities are also available for outside users.

Technical Facilities
- Access to TV, VCR and DVD Players
- Data projectors and screens available

Recreational Facilities
RMIT is peacefully located on 9 hectares of bushland and have BBQ facilities on site.

General Facilities
As a rural learning site, RMIT has access to a number of rooms and facilities, including a boardroom, a conference room and an art studio.
The art studio is a large open area with excellent lighting, sinks, benches and an adjoining equipment storage room. The large open area is able to facilitate a number of different usages.
The classrooms are superbly set out with whiteboards and technical facilities on hand. Most spaces are flexible and offer multi-use.

Attractions
RMIT is located in a quiet area not far from the Hamilton CBD and accommodation outlets. The Bandicoot Motor Inn and the Quality Inn Grange Burn are located nearby. We offer a rural setting, outdoors BBQ area, off-street parking and a number of conference, meeting and educational facilities to suit your needs. RMIT University Hamilton’s researchers offer consultancy and facilitation services.
