RMIT

ARTICULATION / PATHWAY AGREEMENT BETWEEN

BH112 Bachelor of Applied Science (Project Management) (Honours)
School of Property, Construction and Project Management

AND

C6136 Advanced Diploma of Building Design (Architectural)
School of Architecture and Design

College of Design and Social Context

This agreement is being reviewed to due to the re-structure of the HE program.

1. INTENT AND APPLICATION
   1.1 This agreement provides a formal recognition of the pathways between the programs mentioned herewith.

2. THE AGREEMENT
   2.1 Local RMIT students apply to RMIT Direct
   2.2 International students apply to RMIT International Services
   2.3 Articulants must have successfully completed the Advanced Diploma of Building Design (Architectural)
   2.4 Articulants will be selected based on their academic merit
   2.5 Articulants who fulfil the above selection criteria and are accepted for entry to the degree program are eligible for a total exemption of eight (8) courses, equivalent to 96 credit points as highlighted in Appendix A

3. MONITORING & REVIEW
   3.1 This agreement is ongoing and must be reviewed when either program is amended
   3.2 The success of the articulation agreement will be assessed by students' academic performance in the Bachelor of Applied Science (Project Management) (Honours). An analysis will be conducted of the number of applicants under this agreement, their academic success, and their experience within the HE programmes.
   3.3 Program Managers from both involved programs will meet annually to discuss the reception of the agreement and its impact with their respective student bodies, to review and implement adjustments where necessary.
   3.4 Selection Officer will present annual Information Sessions to brief VE students about the terms and conditions of the agreement, opportunities and expectations.
   3.5 Amendments to the agreement must be discussed with and approved by the Program Managers of the programs mentioned herewith.
5. COMMUNICATION

- The nature and details of this agreement must be communicated to all members of the respective program teams in VE and HE as well as:
  - RMIT International
  - Marketing officers at both school and College level
  - Selection officers within each of the affected programs
  - Associate Director VE, College of Design and Social Context
  - Office of Prospective Students

It is the responsibility of the College of Design and Social Context to oversee the communication of the agreement to internal stakeholders.

The nature of the agreement will be communicated to students during their VE studies and the responsibility lies with the program managers of their VE program.
