

# Recorded for online access

Semester 1							
	Monday		Tuesday	Wednesday		Thursday	Friday
8.30-9.30				Project Management: Tutorial			Project Management: Tutorial
9.30-10.30							
10.30-11.30							Project Management: Tutorial
11.30-12.30	Calculus & Analysis: Lecture #						
12.30-1.30		Project Management: Tutorial			Engineering: Lecture #		
1.30-2.30			Project Management: Lecture #			Computere Science Lecture#	
2.30-3.30	Computer Science practical				Geospatial: Lectorial		Geospatial: Lecture
3.30-4.30				Computer Science practical			
4.30-5.30			Calculus & Analysis: Lecture #		Engineering: Tutorial		Calculus & Analysis: Lecture #
5.30-6.30							
Online delivery (no on campus contact)							
Science	Environmental Science	Computer Science					

\*Project management students have a choice of four tutorials

\* On campus Computer science students must attend one practical session

# Recorded for online access

Semester 2									
	Monday		Tuesday	Wednesday			Thursday	Friday	
8.30-9.30								Project Management: Lecture #	
9.30-10.30									
10.30-11.30	Geospatial: Lecture #					Project Management: Tutorial			
11.30-12.30		Engineering workshop		Calculus & Analysis: Lecture #					
12.30-1.30			Calculus & Analysis: Lecture #	Computer Science (on campus students)			Project Management: Tutorial		
1.30-2.30					Science Laboratory				
2.30-3.30						Project Management: Tutorial	Geospatial: Practical	Engineering workshop	
3.30-4.30									
4.30-5.30					Science lecture				
5.30-6.30							Project Management: Tutorial		
Online delivery (no on campus contact)									
Computer Science									

\*Project management students choose one of the four scheduled tutorials
