SET HDR STUDENT CULTURE SESSIONS

Issues and scope for improvement

A/Prof. David Fraser
Why Culture Sessions?

• Orientation and induction is now done by GRO and the School

• There is a perceived need to grow a student research culture in the SET College
Sessions - format

• Four sessions through the year
• Two sessions at the city campus and two at the Bundoora campus
• Two hours in length
• Brief formal presentation of around 30 minutes
• Informal discussion within student groups (mix from different schools)
Session topics

• Introduction to HDR at RMIT
• The HDR journey
• Research methods
• The examination process
