2016 VCE Extend draft timetable

Recorded for online access

DRAFT: Semester 1						
	Monday		Tuesday	Wednesday		Thursday	Friday
8.30-9.30				Project Management: Tutorial			Project Management: Tutorial
9.30-10.30							
10.30-11.30							Project Management: Tutorial
11.30-12.30	Calculus & Analysis: Lecture #						
12.30-1.30		Project Management: Tutorial			Engineering: Lecture #		
1.30-2.30			Project Management: Lecture #	Computer Science (on campus students)			
2.30-3.30					Geospatial: Lectorial		Geospatial: Lecture
3.30-4.30							
4.30-5.30			Calculus & Analysis: Lecture		Engineering: Tutorial		
5.30-6.30							
Online delivery (no on campus contact)							
Science	Environmental Science	Computer Science					

*Project management students have a choice of four tutorials

Recorded for online access

	Monday		Tuesday	Wednesday		Thursday	Friday
DRAFT: Semester 2							
8.30-9.30							Project Management: Lecture #
9.30-10.30							
10.30-11.30	Geospatial: Lecture #				Project Management: Tutorial		
11.30-12.30		Engineering workshop (may be moved to 2.30-4.30)		Calculus & Analysis: Lecture #			
12.30-1.30			Calculus & Analysis: Lecture # (may be moved to 4.30-6.30)			Project Management: Tutorial	
1.30-2.30				Computer Science (on campus students)	Science Laboratory		
2.30-3.30						Project Management: Tutorial	Geospatial: Practical	Engineering workshop
3.30-4.30							
4.30-5.30					Science lecture	Project Management: Tutorial	
5.30-6.30							
Online delivery (no on campus contact)							
Computer Science							

*Project management students choose one of the four scheduled tutorials

Engineering workshops subject to change

Caluclus workshops subject to change
