### Orientation Program:
Starts on approximately 15 August and 13 January respectively

### Semester/Term Dates:
- **Autumn:** 24 August, 2005 – 17 January, 2006
- **Spring:** 18 January, 2006 – 10 June, 2006

### Academic Areas:
- Engineering, Technology:
  - Mechanical Engineering, Materials Science,
  - Aeronautical Engineering, Information Technology,
  - Computer Science, Electrical Engineering,
  - Physics and Measurement Technology,
  - Manufacturing Management
- (No Food Science, Psychology and Disability courses)

### Language of Instruction:
Main language is Swedish. Many courses are given in English or partly in English.

### Course Load:
Full time studies require about 40 hours per week/ approx 30 ECTS per semester

#### Language courses:
Two Swedish language courses where the student earns credits:

- **THSV01 The Intensive Beginner's Course in Swedish for Exchange Students,** 5 points/7.5 ECTS credits, an intensive course given during the whole month of August.

- **THSV02 The Beginner's Course in Swedish for Exchange Students,** 5 points/7.5 ECTS credits, a part-time course during the semester.

Exchange students who do not wish to take part in one of these courses will be offered a non-credit course upon arrival.

### Course Information (websites, courses in English etc):

The academic year is divided into two semesters. Each semester is divided into two study periods, followed by an examination period each.

### Accommodation:
Type of student housing available (e.g. University residence halls, share flat): Student accommodation with single rooms in co-ed corridors, with private bathroom and shared kitchen. A few shared, furnished apartments.

- Housing cost estimate: 2600 SEK per month
- Housing application deadline: Same as for studies: 15 April and 15 October

### Visa/Work Permits:
Students from outside the European Union must apply for a residence permit through the Swedish embassy/consulate at their home countries. They will obtain a work permit at the same time.

### Health Insurance:
<table>
<thead>
<tr>
<th>All students at Linköping university, registered in the national Student Records System are currently covered by a personal injury insurance signed by the Swedish National Board of Student Aid and paid for by Linköping University. This insurance is valid during hours spent at the university and during travels between the accommodation (in Linköping or Norrköping) and the campus. Complementary insurances needed are the student’s own responsibility.</th>
</tr>
</thead>

| **Scholarships:**  
Refer to the Education Abroad Unit |
| **Notes:**  
There are two campuses, one in Linköping and one in Norrköping. A free bus connecting the campuses makes it possible to take courses at both, but the bus ride is almost one hour, so it is a good idea to concentrate course choices to one campus per study period. Students who wish to take all their courses at campus Norrköping can do so and apply for student accommodation there. |
