VET Student Loan statement

It's a government requirement that RMIT provide you with a statement of the tuition fees and any loan fee that will be covered by your VET Student Loan.
*The Total HELP debt is the amount that will be deferred to the Australian Taxation Office (ATO) - this amount will include the 20% government loan fee that is applied to any full-fee courses.

Please note that the totals on the Invoice will not necessarily match the totals on the VET Student Loan statement. This is because the VET Student Loan statement only shows enrolled courses for which the census date has not passed.
