Accessing your RMIT academic results online

All students can access their official academic results achieved since commencing their program via the Enrolment Online application. This offers the flexibility of retrieving official results from any location at any time after the official results release date of each study period.

1. Visit the Enrolment Online website at: https://enrol.rmit.edu.au

2. Type your **Username** and **Password** into the Login box and click the Login button

   **Username** - This is your student number with an “S” added to the start and any letters removed from the end

   **Password** - Your initial NDS password is your date of birth in the format: YYYYMMDD

3. Click the **Academic History** menu option on the left hand side of the screen.

   Then click the **View** button next to the program name and term/semester to view your academic results.

4. Use this **Print** button to print your results.

**Note:** Not all students will have access to every function in the Enrolment Online application. You will be notified when these options become available.
