

SEH College ARC DP20 Expression of Interest

Please complete the following information about your project to enable your School Deputy Dean, Research to evaluate the competitiveness of your proposal with regards to ARC Discovery Projects Selection Criteria, and the extent to which it aligns with RMIT research strategy. Applicants are encouraged to discuss their EOI with the Deputy Dean, Research.

A blank template of the EOI can be found at <https://www.rmit.edu.au/staff/our-structure/seh/core-business-support/research-support/grant-support/support-arc-applicants> (Discovery Projects section).

IMPORTANT NOTES:

The information here will be used to determine if your EOI will be supported by your School for development into a full application. Please ensure that sufficient and relevant details are provided to adequately address the questions.

Deadline for submission of EOI: 3 September 2018

***Required**

1.

Lead Chief Investigator (CI) Title *

Mark only one oval.

Professor

Associate Professor

Dr

Other: _____

2.

Lead CI First Name *

3.

Lead CI Family Name *

4.

Lead CI Email Address *

5.

Lead CI Phone Number

6.

School **Mark only one oval.*

- Engineering
- Health & Biomedical Sciences
- Science

7.

Name the other CIs/PIs and their Organisations

8.

Proposal Working Title *

Maximum 75 characters

9.

Is this a resubmission of a previous DP proposal? **Mark only one oval.*

- Yes *Skip to question 15.*
- No *Skip to question 10.*

New Proposal

10.

Describe the Aims and Background of the project. Describe the novelty and why this research is significant and must be funded NOW. *

Maximum 3,000 characters

11.

For each Aim, provide a brief summary of how it will be achieved *

Maximum 3,000 characters

12.

Impact Statement *

In no more than 500 characters (approx. 75 words) outline the demonstrable contribution that the research will make to the economy, society, culture, national security, public policy or services, health, the environment, or quality of life, beyond contributions to academia. (This is Part A5 of the ARC application).

13.

For each CI and PI provide their ORCID ID or a link to their Scopus and/or Google Scholar outputs *

14.

Which ARC panel will you target your application to? **Mark only one oval.*

- Biological Sciences & Biotechnology
- Engineering, Information & Computer Sciences
- Mathematics, Physics, Chemistry & Earth Sciences
- Social, Behavioural & Economic Sciences
- Humanities & Creative Arts
