

# Vocational Education Fees

---

Your fees each year depend on the courses (classes) that you enrol in for each semester.

You will be billed for each semester separately and your fees will change if you add or drop any courses (classes).

---

How to review your fees:

- Step 1** Check your offer letter to see what type of place you've been offered (e.g. full fee or government subsidised). This is shown under the heading 'Fee type'.
- Step 2** Read about fee concession or exemption to see if you can apply for a discount on your tuition fees. Go to [www.rmit.edu.au/programs/fees/vocational/concession](http://www.rmit.edu.au/programs/fees/vocational/concession).
- Step 3** Learn how much your program will cost at [www.rmit.edu.au/programs/fees/vocational](http://www.rmit.edu.au/programs/fees/vocational). Browse by program code or program name and note that your fee type will be either:
  - government subsidised place
  - government subsidised place (with concession)
  - full fee.
- Step 4** You can view any additional fees, including material and administration fees and the student services and amenities fee (SSAF) at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees).
