Cheap Gear Hire

The club has a huge variety of outdoor gear for hire. General camping, like tents, sleeping bags, stoves; and technical equipments, including rock climbing gear, cross country skis, mountain bikes, surfboards and more, we got you all covered.

Cost

RMIT students can join the club at a discount rate. If not, you can still join with a little extra.

Our trips are run by the club members, and the cost is covering petrol and gear hire.

Get Fit and Active

We run anything from single day trips to places near Melbourne to multiday expeditions interstate.

There's always interesting trips happening and you can also organise your own trips with the club. You don't need to be super experienced to join the club, we have heaps of beginner friendly trips.

Discounts

Save up to 30% on all your outdoor equipments at many stores. And go to climbing gyms at a discount rate.

How do I join?

To join the Outdoors Club, you will need to complete a online registration and payment. You may find the detail instruction on our website.
