

PROPERTY SERVICES WORKS NOTICE

TEMPORARY DOMESTIC HOT WATER INSTALLATION

BUILDING 201 - BUNDOORA WEST CAMPUS

DESCRIPTION OF WORKS

Property Services will be installing a temporary domestic hot water system, this will supply hot water to the Food Science laboratories on level 5, the Animal House and the Anatomy laboratories in building 201.

REASON FOR WORKS

These works form part of the Sustainable Urban Precincts Program (SUPP) and will improve RMIT's energy usage associated with University operations at the Bundoora West campus. Property Services appreciate your assistance and patience whilst we work together towards a more sustainable RMIT.

AFFECTED SERVICES/AREAS

Property Services have engaged Honeywell as the Principal Contractor to manage these works and they have been instructed to ensure continuity of operations is not compromised.

The installation of the temporary hot water system will affect the supply of domestic hot water to the Food Science laboratories on level 5, the Animal House and the Anatomy laboratories in the period shown below. Please note that heating and cooling conditions will not be affected by these works.

DATE AND DURATION OF WORKS

Saturday 22nd October 2016
