Bachelor of Arts (Criminal Justice Administration)
FAQs

What is Criminal Justice Administration?
Criminal Justice encompasses crime, criminals, the Criminal Justice System, as well as policy, the legal system and policing. We have tailored the program to meet the needs of the Criminal Justice Industry, so that you will learn the fundamental principles of Criminal Justice, as well as the practical applications of your knowledge.

Can I work and study?
Yes. We realise that balancing work and study can be difficult- which is why we offer on-line courses, as well as courses that run after work hours.

What will I gain from this program?
The Bachelor of Arts (Criminal Justice Administration) is designed to be relevant to the Criminal Justice Industry. Our program will help you develop the skills needed to work in this industry.

Through our work placement scheme, the BA (Criminal Justice Administration) can help you make contacts with major Criminal Justice organisations, such as Customs, Victoria Police and the Magistrates’ Court.

What will I learn about?
Our courses are designed to be relevant to the Criminal Justice Industry; many of our topics deal with the latest issues or areas of interest developing at the time. For example, you will learn about fundamental Criminological theories, Psychology, crime prevention, policing, terrorism and new-age crimes, such as cyber-bullying.

Where can I get more information about the Bachelor of Arts (Criminal Justice Administration)?
