Program Name: BP183: Bachelor of Applied Science (Chinese Medicine) & Bachelor of Applied Science (Human Biology)

Program/Plan Code: BP183

More details about this program are available from the website for the Division of Chinese Medicine:

www.rmit.edu.au/chinese-med/programs

Abbreviated Title: BAppSc(ChinMed)/BAppSc(HumBiol)

Home Campus: Bundoora (West) Campus

Total Credit Points: 480

Standard Credit Points/Full Time Semester: 48

Standard Credit Points/Part Time Semester: Not Offered

Program Structure Queries: School of Health Sciences, Division of Chinese Medicine, ph. 03 9925 7549.

Professional Recognition/Requirements: Upon successful completion of this program, the graduates are eligible to be registered by the Chinese Medicine Registration Board of Victoria in both Chinese herbal medicine and acupuncture divisions. This program is also recognised by Australian Acupuncture and Chinese Medicine Association (AACMA), Acupuncture Association of Victoria (AAV), The Federation of Chinese Medicine and Acupuncture Societies (FCMA) and Australian Natural Therapies Association (ANTA). To enter this program, the applicants are required to have successfully completed Year 12 education or equivalent, with English, Chemistry and Mathematics as prerequisites.

Special Program Requirements: Students are expected to complete one semester of advanced clinical training during Year 5 at the Teaching Hospital of Nanjing University of Chinese Medicine, Jiangsu Province, China.

Transitional Program Information: N/A

Program Information: A Program Information Session will be organised for this program to provide information to students concerned prior to enrolment online.

Timetabling: To access timetabling information please go to: www.rmit.edu.au/students/sts

Material fees: Some courses and programs have material fees (fees for field trips, goods or services) associated with them. In most instances these charges are not compulsory, but are levied by the teaching School for materials they purchase on behalf of students for use in their studies. Go to: www.rmit.edu.au/fs/materialfees after 10 October 2007 to check the material fees for your program and courses.

Enrolment information: For more information about Enrolment at RMIT University, please go to:

www.rmit.edu.au/students/enrolment

** Semester 1 classes generally commence in March and Semester 2 classes generally commence in July. Please contact your school for more information about specific class start days.*

Year 1

Sem 1 March Class #	Sem 2 July Class #	Course Code	Course Title	Credit Points	Pre/co requisites
Core Units – You must complete all of the following courses					
2629		COTH2140	Chinese Medicine Theory 1	12	Nil
2263		BIOL2272	Biology of the Cell	12	Nil
3554		BIOL2273	Principles of Human Biology	12	Nil
Student Elective Unit – Select one elective from the university website www.rmit.edu.au/students/studentelectives					

			Student Elective Unit	12	Nil
	2609	COTH2141	Chinese Medicine Theory 2	12	COTH2140
	2618	BIOL2274	Limb and Trunk Anatomy	12	BIOL2273
	3619	ONPS2193	Botany, Medicinal Chemistry and Research Methods	12	Nil
	2198	BIOL2044	Human Physiology 2 - Body Systems	12	BIOL2273

** Upon successful completion of the above courses, students are permitted to progress to the next semester of study in the program. In a case of unsatisfactory progress in one or more of the above courses, students should consult the Program Leader prior to the commencement of the next semester.*

Year 2

Sem 1 March Class #	Sem 2 July Class #	Course Code	Course Title	Credit Points	Pre/co requisites
Core Units – You must complete all of the following courses					
2644		COTH2118	CMM & Formulae 1	12	COTH2140, COTH2141
2630		COTH2138	Acupuncture Theory and Practice 1	12	COTH2141, BIOL2274
3555		BIOL2275	Head and Visceral Anatomy	12	BIOL2273, BIOL2274
2225		BIOL2043	Human Physiology 1 - Body Systems	12	BIOL2273
	2607	COTH2119	CMM & Formulae 2	12	COTH2118
	2610	COTH2139	Acupuncture Theory and Practice 2	12	COTH2138, BIOL2275
	3376	ONPS2294	Clinical Microbiology, Immunology and Genetics	12	Nil
	3692	ONPS2295	Medical Biochemistry	12	BIOL2272

** Upon successful completion of the above courses, students are permitted to progress to the next semester of study in the program. In a case of unsatisfactory progress in one or more of the above courses, students should consult the Program Leader prior to the commencement of the next semester.*

Year 3

Sem 1 March Class #	Sem 2 July Class #	Course Code	Course Title	Credit Points	Pre/co requisites
Core Units – You must complete all of the following courses					
2620		COTH2053	Classic Literature CM	12	COTH2141, COTH2119
2631		COTH2137	Acupuncture Techniques	12	COTH2138, COTH2139
2222		MEDS1075	General Pathology	12	BIOL2043, BIOL2044

3482		ONPS2060	Pharmacology & Toxicology	12	BIOL2044, ONPS2295
	2625	COTH2123	Introduction to Clinical Practice	12	COTH2137, COTH2119
	2626	COTH2124	Chinese Dietary and Exercise Therapy	12	COTH2141, COTH2119
	2173	MEDS1102	Systemic Pathology	12	MEDS1075
	2605	MEDS2050	Diagnosis in Western Medicine	12	BIOL2275, BIOL2044

* Upon successful completion of the above courses, students are permitted to progress to the next semester of study in the program. In a case of unsatisfactory progress in one or more of the above courses, students should consult the Program Leader prior to the commencement of the next semester.

* Students are required to conduct police check before enrolments at their own cost.

Year 4

Sem 1 March Class #	Sem 2 July Class #	Course Code	Course Title	Credit Points	Pre/co requisites
Core Units – You must complete all of the following courses					
2658		COTH2125	Clinical Chinese Medicine 1	24	COTH2119, COTH2137
2621		MEDS2049	Differential Diagnosis in Western Medicine	12	MEDS2050
2646		COTH2130	Professional Issues and Project	12	ONPS2193
	2636	COTH2126	Clinical Chinese Medicine 2	24	COTH2119, COTH2137
	2627	COTH2127	Supervised Clinical Practice 1	24	COTH2123, COTH2125

* Upon successful completion of the above courses, students are permitted to progress to the next semester of study in the program. In a case of unsatisfactory progress in one or more of the above courses, students should consult the Program Leader prior to the commencement of the next semester.

* Students are required to conduct police check before enrolments at their own cost.

Year 5

Sem 1 March Class #	Sem 2 July Class #	Course Code	Course Title	Credit Points	Pre/co requisites
Core Units – You must complete all of the following courses					
2659		COTH2128	Clinical Chinese Medicine 3	24	COTH2119, COTH2137
2645		COTH2129	Supervised Clinical Practice 2	24	COTH2126, COTH2127
	2604	COTH2042	Clinical Internship	48	COTH2127, COTH2129

* Students are required to conduct police check before enrolments at their own cost.

* Upon successful completion of the above courses, students complete the program.
