Applicant Instructions:

Please provide your application for funding in word format along with this completed cover sheet and email to the Handbury Fellowship Program Coordinator yaso.nadarajah@rmit.edu.au prior to **5pm, Tuesday 31st May 2016**. **You can also post your application. Application criteria and mailing address are provided on the following page.**

Please ensure applications are made in Times New Roman size 12 fonts, with single line spacing and do not exceed 7 pages including any diagrams, tables and pictures etc.

The following items are to be clearly addressed in your application:

1. Brief description of the proposed project to be funded, including the budget, source of additional funding (including in-kind support) and partnership (if relevant)
2. Which of the following themes does the proposed project address: agricultural innovation, cultural diversity, food security or ecology or a combination
3. Outline of the issue and its underlying causes you propose to address/work towards in your project
4. A concise description of the target group of your project, and how you will reach them and engage with them
5. An outline of the key activities you intend to undertake in this project, as well as proposed timeframe
6. A description of current and potential partners for your project; as well as key input/contributions they will bring to your project
7. An overview of the strategy and resources you will employ to positively impact the success of your project
8. Of these resources, what do you currently have in place and what do you need in the development of your project?
9. Describe the key relationships and partnerships that will promote the success of the project
10. How will you describe success from the funds provided by the Handbury Fellowship in the proposed schedule and outcome of the project?

Please contact the Handbury Fellowship Office or any of the Advisory Committee should you have any queries regarding the application process
