HAZARDOUS MATERIALS REMOVAL WORKS BUNDOORA WEST CAMPUS - BUILDING 201, LEVELS 1 TO 11

DESCRIPTION OF WORKS

Property Services, will undertake removal of hazardous materials in building 201 level 1 to 11. The above areas have been noted to contain HazMat and to facilitate project works in these location(s) identified materials will be removed.

All works will be conducted by an appropriately licensed contractor and subject to suitable work methods and controls. These works will be attended by an independent Hygienist, who will conduct air monitoring daily and clearance inspection prior to the area being re-opened.

REASON FOR WORKS

These works form part of the Sustainable Urban Precincts Program (SUPP) and will improve RMIT's energy usage associated with University operations at the Bundoora West campus. Property Services appreciate your assistance and patience whilst we work together towards a more sustainable RMIT.

AFFECTED SERVICES/AREAS

Property Services have engaged Honeywell as the Principal Contractor to manage these works and they have been instructed to ensure continuity of operations is not compromised.

Hazmat Removal works will be undertaken on levels 1 – 11 of Building 201. These works will not interrupt RMIT operation or services and will be coordinated to minimise disturbance of occupants.

DATE AND DURATION OF WORKS

Thursday 20th October– Friday 4th November 2016
Hours of work are between 6:00am – 4:00pm
