Graduate Research Office (GRO)
http://www.rmit.edu.au/rd/gro
Who we are:

The Graduate Research Office (GRO) is part of the Research & Innovation Portfolio (R&I), headed by the Pro Vice-Chancellor - R&I.

GRO is principally responsible for:

- Receiving and processing applications for higher degrees by research (HDR) places; managing applications, selection and payment of Australian Postgraduate Awards (APA scholarships)
- Coordinating all HDR examinations
- Providing professional development opportunities for HDR supervisors and candidates
- Managing the register of HDR supervisors
- Collecting and analysing HDR candidate feedback for improvement planning
- Managing quality reviews and monitoring research training performance
- Reporting on candidature management through the ResearchMaster database application
- Initiating and communicating research on research education policy and practice
- Providing secretarial support to the RMIT Research Committee and its Sub-committee
- Developing and implementing research education policy

GRO can answer the following:

<table>
<thead>
<tr>
<th>HDR Applications</th>
<th>How to apply for a higher degree by research (HDR) place?</th>
</tr>
