What will happen next? Will I be granted a hearing of the University Appeals Committee?

In lodging an appeal you are requesting a hearing of the University Appeals Committee to consider your appeal against a decision to refuse your request for an equitable assessment arrangement.

Following receipt of a complete appeal submission the Academic Registrar (or nominee) will, within 20 working days, decide whether your application satisfies the ground/s of appeal you have selected on page 2 of this form.

Where the eligibility criteria have been deemed:
(a) to have been met, a hearing of the University Appeals Committee will be arranged and you will be notified of the date and time accordingly
(b) not to have been met, your request for a hearing will be denied and we will advise you accordingly. This communication will explain the reasons for the determination and also advise you of your right to seek an external review of the decision.

Communication

Your RMIT student email account will be used for correspondence related to your appeal.
