**Property Services joins Jim Barber and People & Culture in recognising Sue Andrews and her efforts in First Aid earlier this year. We quote from the DVC Academic's announcement; "Susan would acknowledge that others worked with her to manage a range of issues associated with the incident, but her quick and courageous response was an exemplary example of her personal commitment and of a first aider putting their training to work." Thanks Sue!**
Hey Bec, who’s your Daddy?

(above) Jim “Disco” Fontaine, Greg “The Dude” Allen and John “Macho Man” Gerkanis strut their stuff at the Movember Ball. Greg, John and Jim raised a most respectable $850 towards a number of charities – see http://www.movember.com/au/whatismov/07/Beneficiaries

ROCKY & WILL’S FAREWELL
Another great golf day and bbq this year. The change of venue to the Albert Park Golf Course was a hit – almost as big as Andrew Hick’s drive (for which he won a prize). Other prize winners were Brett Delzoppo – Closest to the Pin and the Peter Wilson Trophy for the day’s lowest score (after handicaps) went to Greg Allen.

Thanks to all the players – Graeme Martin, Terry King, Andrew Hicks, Roy Notini, David Howard, Tony Metherell, Brett Dezoppo and Greg Allen.

Thanks too to Terry Lawler and Chris Box for arranging the BBQ end of things.

….speaking of “green” … how about the very very green grass in Ellis Court at the moment!!
Dear Property Services

2007 was an extremely busy year for us as we continued to provide our high quality services to our customers (especially for various re-locations) whilst at the same time preparing for a range of significant major capital works about to begin or currently in the planning stage. These achievements have only been possible through the consistent hard work and commitment of the staff within Property Services, which I sincerely appreciate.

As you know, I will be leaving RMIT at the beginning of January to take up a new opportunity at the University of Melbourne. I have thoroughly enjoyed the nine years that I have spent in Property Services and am proud of what we have accomplished during that period. Being only a short distance north of Queensberry Street will enable me to keep a keen eye on developments at RMIT and watch many of the projects we have been nurturing come to fruition.

In many ways I am sad to be leaving at such a unique and exciting time in RMIT’s history but I am confident that Property Services is in good hands and I am excited about the new challenges that await me as the Vice Principal Property and Campus Services at Melbourne.

I want to take this opportunity to thank you all for your friendship and support over the past nine years and to wish you and your families all a safe and happy Christmas and a rewarding and exciting 2008.

Best Regards
Chris White
