</table>

Hear real life stories from current students in various areas of science, including biotechnology, environmental science and food science.

### Science student presentations

Hear real life stories from current students in various areas of science, including biotechnology, environmental science and food science.

### Pick a winner with maths and stats

<table>
<thead>
<tr>
<th>CITY — Building 8, Level 9 (Swanston Street)</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Can you predict the winner of an AFL match better than the computer?</td>
<td></td>
</tr>
<tr>
<td>How did a syndicate rig the system to win nearly $1 million on a greyhound race?</td>
<td></td>
</tr>
<tr>
<td>What is wrong with the Powerball numbers?</td>
<td></td>
</tr>
<tr>
<td>What is the greatest Melbourne Cup winner of all time?</td>
<td></td>
</tr>
</tbody>
</table>

Come to the Access Grid Room and see if you can out-wit, out-calculate, and out-predict RMIT’s computer.

### Can you handle the heat? Come find out if you can with our thermal imaging camera.

<table>
<thead>
<tr>
<th>CITY — Building 12, Level 10 (Swanston Street)</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Our thermal camera and a range of other new and exciting equipment we use at RMIT will be on display as well as the chance to speak to industry reps currently working in the fields of surveying and geospatial sciences.</td>
<td></td>
</tr>
</tbody>
</table>
