GET YOUR VCE QUALIFICATION AT RMIT UNIVERSITY

What is VCE?
VCE is recognised Australia-wide and internationally as a tertiary entrance qualification. It consists of Year 11 (VCE Units 1 and 2) and Year 12 (VCE Units 3 and 4). Students who complete Units 3 and 4 receive a Victorian Certificate of Education.

At the completion of Unit 2, students may decide to proceed to Year 12 or to articulate into RMIT’s Foundation Studies.

What are the benefits of studying VCE at RMIT?
You will be enrolled in a selection of subjects designed to arm you with the skills to move into a variety of qualifications at the Foundation Studies, TAFE and university level:

» benefit from the resources of a large university
» improve your chances of a successful transition to tertiary student life
» learn amongst a majority of native English speakers in a more mature environment
» develop your English skills as well as skills specific to your academic interest area

Who can undertake VCE?
Students who have completed the equivalent of Year 10 in their own country may complete VCE at Year 11 level before proceeding to RMIT International College, or continuing on to VCE Year 12.
