RMIT and the ATN (Australian Technology Network of Universities) are offering 6-12 month joint Australia-France paid internships in partnership with the Embassy of France in Australia. Successful applicants will be provided with scholarships and travel grants. Students will work half the placement for a French company in Australia and the other half in France. Read more.

Apply now!

1. Complete the application form
2. Scan and email the form along with the following documentation:
   - Curriculum Vitae (no more than two pages)
